

PC 330 GAME

Designed for
your GAME

The high-performance headset for ambitious global gamers, the PC 330 has all you need to stay in the game, like a closed design that keeps you focused on the win and right DJ Hinge ear cup for talking directly with your teammates.

Between rounds, relax to your music in great Sennheiser stereo sound or skype with friends using the professional noise canceling microphone.

reddot design award
winner 2010

- **Quick team talk** – at just a swivel of the DJ Hinge on the right ear cup, you have direct contact with your teammates
- **Superb Sennheiser stereo sound** – great stereo sound and acoustic performance from your games, music, movies and internet calls
- **Noise canceling clarity** – the professional noise canceling microphone reduces ambient noise for crystal-clear conversations
- **Intuitive design** – the volume control is integrated in the right ear cup
- **Automatic microphone mute** – mute the microphone by raising the boom arm
- **Great for gaming** – the closed design blocks out the noise around you to keep you focused on the game
- **Perfect fit** – XL ear pads and a cushioned headband keep you going, however long you play
- **Essential extra** – supplied with a protective carrying pouch
- **Peace of mind** – thanks to the 2-year international warranty
