

7.1 channels of power

PC 323D Gaming Headset

PC 323D

The PC 323D gaming headset puts you in the center of the action with Dolby® Headphone and ProLogic® IIx. Their 7.1-channel game audio lets you pinpoint even the slightest sounds. The adjusting, super-comfortable CircleFlex™ ear cups, pro noise canceling microphone for clear teammate talk and other must-have features round out the package.

Benefits and Features:

- More spacious sound field – 7.1 channel surround sound powered by Dolby® Headphone and Dolby® Pro Logic® IIx to accurately pinpoint opponents from all directions in the gamescape
- Superb Sennheiser sound – Sennheiser quality speakers deliver great acoustic performance with all your games
- Noise canceling clarity – the pro noise canceling microphone reduces ambient noise for crystal-clear conversations with teammates
- Soft-padded comfort – CircleFlex™ ear cups ensure the ear pads rotate and adjust automatically to your head
- Great for long gaming sessions – the open-acoustic design keeps your head cool for hours of playing
- Intuitive design – the volume control is integrated on the right ear cup for quick access
- Automatic microphone mute – is activated simply by raising the boom arm
- 2-year warranty

Technical Data

PC 323D
